SECOND CIRCULAR

Dear Colleague,

Thank you for sending us your pre-registration form expressing interest in participating in the 11th International Conference of Nubian Studies. This is the second circular, which is intended to provide you with information concerning practical matters, such as registration fee and forms of payment, and conference accommodation.

REGISTRATION FORM

We are pleased to note that no less than 130 colleagues have returned the reply form and that 107 communications (papers and posters) have been proposed. We ask that you kindly fill in the Registration Form that has now been provided with this circular, specifying more precisely the title of your presentation and the relevant fields of study it applies to. This will be of assistance to us in planning the conference program. Should any of your personal data (notably, address, e-mail etc.) have changed in the meantime, please note so accordingly in the form.

Registration Forms should reach us preferably by **October 31, 2005**.

REGISTRATION FEE

The conference fee for participants is **Euro 110**.

Registered students, observers and accompanying persons pay **Euro 60**.

The fee covers conference materials, book of abstracts, refreshments during the conference and official gala dinner.

Payment can be made directly to our account (see registration form for details). In order to avoid any confusion due to bank delays etc., we ask that transfers be made prior to July 15, 2006. Please be sure to write your name and the title: NUBIA 2006 legibly on the form.

Payment by credit card can be done by filling in the appropriate items on the registration form. We need to receive a signed form from you, either through ordinary mail or by fax to the number indicated on the registration form. The fee will be charged to your credit card one month before the beginning of the conference.

Cheaper and student accommodation is available (under Euro 30.- per single/double room); for details please contact Mr. Grzegorz Ochała, writing to nubia2006@uw.edu.pl, subject: *cheap accommodation*.

For those of you who may wish to share a room with another conference participant to cut expenses, we will operate an info service. If you cannot find someone to share with on your own, drop us a note at nubia2006@uw.edu.pl, subject: *sharing accommodation*, and we will add your name and e-mail address to a list of sharers and distribute it among those wishing to share. While we cannot be responsible in any way for the results of said sharing, we hope the service will help in getting people together and organizing their stay in Warsaw to mutual benefit.

SCHEDULE

We would like to wish everyone a peaceful vacation and success in your individual study fields, and particularly an exciting and rewarding season for those planning archaeological fieldwork during the winter months.

We do not expect to bother you with further circulars earlier than next summer. However, we shall be calling for half-page abstracts in the beginning of **April 2006**.

Gearing up for the conference, we shall make an effort to make our website informative and useful for those planning their stay in Poland around the conference. So be sure to check what's new on www.nubia2006.uw.edu.pl
